

WOMAN'S WORK

Conducted by Miss Carrie Lee Campbell

OUR MISSIONARY PARTY.

Quite a number of our missionaries have just returned to their work after furloughs in this country with a new recruit and some other workers. We have the pleasure of presenting to our readers a group of them. They sailed from Vancouver, British Columbia, on September 23rd, on the Steamship Empress of Russia.

On the way across the continent they stopped at Lake Louise, in the Canadian Rockies, where they spent Saturday and Sunday, September 18th and 19th. While there this picture was taken.

Along with this missionary party are Mrs. W. C. Winborough, the Superintendent of the Woman's Auxiliary, and Miss Carrie Lee Campbell, the Editor of the Woman's Work Department of the Presbyterian of the South.

Association, and has now gone back to the land of her birth to engage in mission work. Six other children of this family are left in this country, most of whom are preparing to join their parents and two sisters as missionaries.

Rev. Dr. and Mrs. W. C. Buchanan, also of Nagoya, are veteran missionaries who have done fine work in Japan. Mrs. Buchanan came to this country recently for medical treatment, which has proved very successful and she is now returning with restored health. They have left in this country a son who is in a theological seminary and a daughter who is in the Assembly Training School. They will both join their parents in mission work, when their preparation is completed.

Rev. Dr. and Mrs. C. A. Logan have

MISSION COURT.

A Word of Appreciation.

Dear Friends of the Auxiliaries:

I felt that this first month of our stay in Mission Court would not be complete until I had an opportunity to express our gratitude for this delightful home which your generosity and thoughtfulness has made possible.

When I came in to find all the dainty stores of linen piled up awaiting our use, I felt as a bride entering into possession of all her pretty, new things.

Florida Presbyterian Auxiliary will conduct a series of efficiency conferences the latter part of October. They will be held in conjunction with meetings of the pastors and laymen of the Presbytery, holding all-day sessions discussing plans and methods, with illustrated lectures on Stewardship at the evening sessions. Mrs. H. A. Love is anxious for a large attendance. They are to be held in Tallahassee, Milton and Marianna.

From that point the missionaries will go to their separate fields of work, and Mrs. Winborough and Miss Campbell will visit all the mission stations of our Church in Japan, Korea and China. Mrs. Winborough wants to get all the information she can about the work, the workers and the need of work in these fields that she may pass it on to the women of the Church. Miss Campbell is traveling with her as a friend and will gather a great deal of valuable information and inspiration which she will pass on to the readers of this paper through her department.

Rev. Dr. R. E. McAlpine, of Nagoya, has been doing efficient and successful work in Japan for a number of years. Mrs. McAlpine is a daughter of Dr. Balaugh, one of the first Christian missionaries to go from this country to Japan. Miss Jean is their daughter, who has recently graduated at the Assembly's Training School in Richmond. For a year she was the president of the Virginia Student Volunteer

MISSOURI SYNODICAL AUXILIARY.

The Synodical of Missouri will hold its annual meeting at Excelsior Springs, Mo., October 27th, 28th and 29th. Names of delegates are to be sent to Mrs. Hugo McKee, 521 Kansas City Avenue, Excelsior Springs, Mo. Please report at church on arrival.

But especially as a mother do I appreciate this restful haven for our children and babies, where the home training as we would have it may be put into effect. Don't you know what a comfort it was, after such a season of visiting, to let the baby yell it out now and then, and to feel you were not bothering any one? I am sure you mothers will sympathize with me.

As we go back to our work in far-away dear old China, may God's richest blessings rest on you and warm your hearts, and may the most sought for praise in the world be ringing in your ears:

"Inasmuch as ye have done it unto these, ye have done it unto me."

Agnes W. Harnsberger.

HAVE WE DONE OUR BEST?

By Mrs. Mary D. Irvine.

As we unfold our Church papers week after week, I am wondering how many of us are watching with yearning interest the growth of our Endowment Fund, as it appears in the Bulletins.

Walking down to the auditorium at Montreat this summer, we heard
